# Registration categories

- **Member:** you are only eligible for this rate if you are a member of a WCPT member organisation. For a list of WCPT member organisations visit [www.wcpt.org/members](http://www.wcpt.org/members) [2]
- **Non-PT educator/researcher:** WCPT recognises that other professions contribute to physical therapy education and research programmes. WCPT is therefore extending its member registration rate to non-PT educators/researchers who are presenting at WCPT Congress 2015.
- **PT Assistant:** open to support personnel employed under the direction and supervision of a physical therapist (eg physical therapy assistant, aide, technician or helper, rehabilitation assistant, classroom therapy assistant).
- **Retired:** open to physical therapists that are permanently retired from practice and are a member of a WCPT member organisation.
- **Student:** students currently enrolled in a physical therapist professional entry level qualifying programme and who are graduating in 2015 or after are eligible for the student rate. Students who graduated in or before December 2014 are not eligible. The student rate does not apply to physical therapists in post qualifying graduate programmes or to other graduate students (eg MSc, PhD). Individuals registering at the student rate will be required to provide a **student card** or **letter** from their education programme as proof of eligibility.
- **Non-member:** If you do not belong to a national association belonging to WCPT or if your national association is not a member you must register under the “non-member” category. For a list of WCPT member organisations visit [www.wcpt.org/members](http://www.wcpt.org/members) [2].
